Summary

As a student majoring in Informatics Engineering at Universitas Muhammadiyah Prof Dr. HAMKA, I am deeply interested in delving into web development and 3D modeling. I am an enthusiastic learner, constantly seeking opportunities to expand my knowledge both inside and outside the campus. With the skills I have acquired, I am eager to apply my expertise in the technology industry and collaborate with professionals to gain insights from them. I look forward to continuing to learn and contribute in the ever-evolving world of technology.
